Course Description:

In this elective, students will explore the history and economic consequences of entrepreneurship worldwide from the dawn of recorded history to the present.

The class will be a seminar in format so attendance is important. Students will be expected to complete the assigned readings before class and to participate in each class session by asking or answering questions or making comments. Students will also complete the individual project described below. Grades will be a function of attendance, class discussion/participation, a mandatory project draft, and the final project.

Course Objectives:

**S.I.I.P. (Student Initiated Individual Project):**

On Thursday, 16 February each student will propose (orally, in class, and in writing on Moodle) an original individual project related to the course and its objectives. **It must entail an analysis of the entrepreneurial system of a political entity (nation, state or province, municipality), past and/or present (as applicable).** (For hints, see the supplemental readings on reserve.) It may consist of a traditional term paper; written or video blog; video game; survey or experiment (and statistical analysis and write up of results); song or other musical composition, poem, or short story; white paper or policy recommendation; lesson plan; grant or book proposal; book, article, or television review; documentary, movie, play, or script; and/or any other original, creative endeavor approved by the instructor and other students. Students should see the instructor on or before his office hours on Tuesday, 14 February if they have any questions about acceptable project forms or topics.

Mandatory draft S.I.I.P.s are due Thursday, 15 March and will be returned electronically with instructor comments before 26 March (i.e., over Spring Break). Full credit (10%, as below) will be given if the proposal and the draft are submitted on or before the due date and show reasonable effort. Proposals or drafts submitted late or that were obviously dashed off at the last minute will receive no credit (i.e., the student’s final grade will be one letter lower – so do it, and do it on time!).

Subsequent drafts are voluntary and will not be graded. They will be accepted and promptly returned with instructor comments through Thursday, 3 May but not thereafter. Why submit a voluntary draft? As detailed below, the final version of the S.I.I.P. -- due at midnight on Thursday, 10 May -- will account for precisely half of the course grade and must demonstrate mastery of the course and appropriate daily session objectives. Students should put the appropriate time and effort into the project. There will be no makeups or do overs at the end of the semester so students should take full advantage of the draft process.

**Grading Guidelines:**

Grades will be a function of:

Prof. Robert E. Wright, Nef Family Chair of Political Economy, Division of Social Sciences, Augustana College SD
- Attendance (body in class, 100 – no. classes missed): weighted 20%
- Participation (asking relevant questions, offering comments related to the readings in class, and leading classroom discussions when asked): 20%
- S.I.I.P. proposal and mandatory draft: 10%
- S.I.I.P. final: 50%

A+ ≥ 97.5; A ≥ 95; A- ≥ 90; B+ ≥ 87.5; B ≥ 85; B- ≥ 80 and so forth …

**Honor Code:**

As a community of scholars, the students and faculty at Augustana College commit to the highest standards of excellence by mutually embracing an Honor Code. The Honor Code requires that examinations and selected assignments contain the following pledge statement to which students are expected to sign:

*On my honor, I pledge that I have upheld the Honor Code, and that the work I have done on this assignment has been honest, and that the work of others in this class has, to the best of my knowledge, been honest as well.*

Faculty members are responsible for investigating all instances involving any student who does not sign the Honor Pledge or who bring forward an academic integrity concern. The complete Honor Code can be found at [www.augie.edu/admin/acadaff/](http://www.augie.edu/admin/acadaff/).

Any student who feels that he or she may need to discuss reasonable accommodations for a disability, please see the instructor during office hours. Students with questions regarding disability services including appropriate documentation and coordination of reasonable accommodations are welcome to contact Susan Bies at the Student Academic Support Service Office located in the Career Center Suite, Room 100.
